Bodovanie: 1 bod za to, ak skončíte v pluse. Ak budete na nule alebo v mínuse, dostávate 0.5 boda "za snahu". Traja najlepší dostanú 1 bod navyše.

How to Play

Players will select a skill level and have a set time to build their "portfolio" by correctly answering 10 options questions. During the game, players will be able to wager their portfolio and purchase hints. Fictional "bonus dollars" will be awarded for completing the quest within the time allotted.

OptionQuest is for educational and entertainment purposes only. Your use of OptionQuest is subject to the [Terms and Conditions](#) of the CBOE Website.

The image shows a promotional graphic for the OptionQuest game. At the top center is the "OptionQuest" logo, which features the text "OptionQuest" in a stylized font with a green arrow pointing to the right. Above the logo is a silver stopwatch with the CBOE logo on its face. Surrounding the stopwatch and logo are several blue cards with white text, representing different options symbols: OEX, SPX, NDX, VIX, VXA, and XSP. Below the logo, the text "Test Your Trading Skills!" is displayed in a bold font. Underneath this, a paragraph describes the game as an options strategy challenge that helps sharpen trading skills. At the bottom of the graphic are two green buttons with white text: "Start Game" and "Instructions". At the very bottom, there is a small line of text: "Rules | Terms and Conditions | ©2009 CBOE.
