Challenge a Friend

- Submission:
 - By e-mail to beata.ulohy@gmail.com, with subject **derivatives 2014 – extra credit 2 – name(s)/nick for the list of results**
 - Submit: screenshot of your result
 - Deadline: Monday 15th December 2014

- Grading:
 - 1 point for a positive score
 - 1 additional point for those who score above the median
 - 3 additional point (i.e., 5 points together) for the one with the highest score. In case of a tie, these 3 points will be splitted.

To get an idea about usual distribution of the scores, here is a sample from an earlier course:
